Certified Nursing Assistant program

Nursing Assistant Training Program. This handbook follows the 2026 catalog. Enrollment forms and health forms are in the enrollment package. They are not printed again here.

School

Hi-Power Academy. P.O. Box 1101, Yuba City, CA 95992. Phone 530-301-2582. Email support@hi-poweracademy.com.

Website hi-poweracademy.com.

Theory is instructor-led online on Zoom. Course materials are in Google Classroom. Students do not come to the office for theory. Clinical training is in person at:

- Yuba City Care Center, 1220 Plumas St, Yuba City, CA 95991
- River Valley Care Center, 9000 Larkin Rd, Live Oak, CA 95953

A computer, reliable internet, a webcam, and a microphone are required. Those costs are not in the program price.

Approval

Hi-Power Academy is a private institution approved to operate by the Bureau for Private Postsecondary Education. Approval means the school meets the standards in the California Private Postsecondary Education Act of 2009 and Title 5 of the California Code of Regulations. Approval does not mean the Bureau endorses the program, or that the school exceeds the minimum state standards.

The school is approved by the California Department of Public Health to offer the Nursing Assistant Training Program. The school is not accredited by an accrediting agency recognized by the United States Department of Education. The school has not filed for bankruptcy in the past five years.

Mission and program

Hi-Power Academy provides high-quality education that prepares students to become compassionate, confident, and competent healthcare professionals. The purpose is preparation for nursing, patient care, and healthcare support through theory, hands-on training, and clinical experience.

The program objective is the Nursing Assistant Training Program: the knowledge and skills to give safe, effective, and compassionate care.

The program is 6, 7, or 11 weeks, on the schedule approved by the California Department of Public Health. It is 160 clock hours: 60 hours of instructor-led online theory and 100 hours of supervised clinical training. There are 17 modules. Graduates are eligible to take the California nursing assistant certification exam.

Students must score at least 80 percent and must pass the required skills. Students who meet the requirements receive a certificate of completion.

Faith-based institution

I acknowledge that Hi-Power Academy is a faith-based institution and that its classes include faith-centered values.

Classroom sessions may include prayer, Bible encouragement, and brief faith-based reflections meant to encourage compassion, integrity, service, perseverance, and care for others. Students may be encouraged to have faith in the High Power (God) as part of that environment.

I am not required to profess or adopt a particular religious belief in order to enroll or to finish. I may hold my own beliefs while participating respectfully.

These activities do not replace or reduce the required academic instruction, the CDPH curriculum, skills training, supervised clinical training, tests, attendance, or any other requirement of the program.

Admission

- Age 16 or older.
- A completed enrollment application.
- A high school diploma or a recognized equivalent, such as a GED. International credentials must be evaluated by a recognized service.
- A government-issued photo identification.
- A Social Security card, or other documentation the program requires.
- Background check and immunization records, as applicable.
- Ready for live online theory and in-person clinical training.

All courses are in English. The school does not offer visa services and does not vouch for a student's immigration status. The school does not offer English as a second language. A student whose first language is not English may show proficiency with TOEFL or IELTS at the minimum score of 65 percent in the catalog, or another assessment the school or the state accepts.

Before clinical, the current school requirement is a physical examination within the last 9 months and a two-step TB test within the last 9 months, or a chest X-ray or QuantiFERON test when the TB test is positive. A flu shot is required from November through March, or as required by the California Department of Public Health. MMR, varicella, and Tdap follow the clinical facility. The enrollment package has the forms.

Cost

Charge paid to the school	Amount
Registration fee, non-refundable	$183.15
Tuition	$1,350.00
Student Tuition Recovery Fund	$0.00
Total institutional charges	**$1,533.15**

Estimated charges paid elsewhere	Amount
State examination fee	$125.00
Live Scan fingerprinting	$25.00
Scrubs and clinical shoes	$150.00
Blood pressure cuff	$25.00
Stethoscope	$25.00
Basic school supplies	$15.00
Total estimated noninstitutional charges	**$365.00**
Estimated total	**$1,898.15**

Outside costs are estimates and can change. A computer and internet are not included. The school provides the online study materials. Institutional charges are due at least two weeks before the start date.

The school accepts cashier's checks, money orders, Visa, Mastercard, debit and credit cards, and Zelle. Personal checks are not accepted. Each class needs at least 15 students. A smaller class may be cancelled.

The school does not participate in federal or state student aid. The Student Tuition Recovery Fund assessment is $0.00 per $1,000 of institutional charges. Questions about that fund go to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd., Ste 225, Sacramento, CA 95834, (888) 370-7589.

Cancellation and refund

A student may cancel the enrollment agreement and receive a full refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancel in writing by email to support@hi-poweracademy.com or by mail to Hi-Power Academy, P.O. Box 1101, Yuba City, CA 95992. The notice can be in any form. It counts when it is sent.

After that period, a withdrawal receives a pro-rata refund of tuition for the part of the program not attended, less the registration fee and any other non-refundable charge. No refund is issued without written notice. An administrative dismissal is not eligible for a refund.

If the school cancels the program, students receive a full refund of tuition and fees within 3 to 5 business days. No request is required.

Refunds are paid by check, mailed to the address on file, within 7 business days of the school's receipt of the written notice.

Attendance

Students attend the scheduled Zoom theory classes with the camera on, and the required clinical sessions. A student may miss up to 4 hours of theory and up to 8 hours of clinical. Those hours must be made up. Missing more than that can result in dismissal and loss of eligibility to finish.

Theory attendance is taken by the instructor, including participation on Zoom and in Google Classroom. Students sign in and out of each clinical session. An excused absence needs notice to the instructor when possible, and documentation when it applies, such as a medical note or jury duty. A no-call, no-show is unexcused. Theory is completed before clinical. Completion requires 60 theory hours and 100 clinical hours, within the absence and make-up rules above.

A leave of absence must be requested in writing and approved before it starts.

Conduct

The school does not allow sexual harassment. A report goes to the instructor or the program director.

School premises are non-smoking. Tobacco is not allowed on the premises.

The school offers education without regard to race, color, national origin, sex, or disability.

Services, placement, and records

The school offers tutoring and review, career counseling, help preparing for the licensing exam, and job-placement assistance. Placement is not guaranteed.

The school does not provide or arrange housing. Students arrange their own housing and transportation.

Student records are kept for the period required by law and by the Bureau, and a student may request a copy in writing.

The program prepares students for work as a certified nursing assistant, Standard Occupational Classification code 31-1131.

Complaints

A complaint goes first to the instructor or the program director. If it is not resolved, the student may send a written grievance to the administration at support@hi-poweracademy.com. A student or any member of the public may also contact the Bureau for Private Postsecondary Education, 1747 N. Market Blvd., Ste 225, Sacramento, CA 95834, www.bppe.ca.gov, phone (888) 370-7589, fax (916) 263-1897.

The catalog, the School Performance Fact Sheet, the student brochure, and the Bureau link are on hi-poweracademy.com.
